Travel Grants

TICRA Foundation and EurAAP announce 8 grants opportunities at EuCAP 2026

The TICRA Foundation and EurAAP are pleased to announce that they will offer 8 grants for EuCAP 2026.

Each grant consists of EUR 1,000 for travel and subsistence as well as a full registration and an invitation to the conference dinner. The Grants will be officially presented at a dedicated ceremony that will take place at the end of the technical sessions on Tuesday 21 April 2026.

Authors of accepted papers are invited to send their application until 25 January 2026 at the latest. The awardees will be selected based on the author's potential or demonstrated aptitude for research and their financial situation. Applicants from all regions and career stages are encouraged to apply with some preference given to applicants from developing nations and/or early careers.

Application requirements

To be considered for the travel grants, applicants are required to provide the following:

- Motivational letter (max ½ page)
- Brief resumé (max 2 pages)
- Full conference paper
- 10-digit paper ID

The grants will be transferred to each awardee after the conclusion of the conference, conditional on the awardee's participation in the conference.

April 19 - 24 | Dublin, Ireland

Application deadline

Please submit your motivational letter, resumé, conference paper and a copy of the conference paper acceptance to eucaap@ticra.com with "Travel grant" and clear statement of your paper ID from EDAS in the subject line no later than 25 January 2026. Successful candidates will be notified by 26 February 2026.

A committee at TICRA and EurAAP will make the selection of the 8 final recipients of the grants.

Note: To be eligible for the travel grant, applicants must ensure they are registered for the conference prior to the travel grant application deadline.

About TICRA Foundation

The objective of the TICRA Foundation is to support education and research within the field of electrotechnical sciences in Denmark and abroad. You can find more information at www.ticra.com.
